Del Mar Union	BP	4	“Schools should monitor students sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children’s diets.”
Encinitas Union	AR	C	<u>Sharing of Foods and Beverages.</u> Schools should discourage students from sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children’s diets.
		e	<u>Food Brought on Campus:</u> All food brought onto campus by parents, teachers, or staff for celebrations or rewards in the classroom, should be store bought, pre-pared and pre-wrapped food. No home cooked meals should be served to staff or children in order to minimize the risk of food-borne illness.
Escondido Union	BP	3	School staff shall encourage parents/guardians or other volunteers to support the district’s nutrition education program by considering nutritional quality when selecting any snacks that they may donate for occasional class parties or celebrations. Foods and beverages that do not meet nutritional standards shall be limited to no more than one food or beverage per party or celebration.
	AR	8	3. Food and beverages donated to schools for consumption at an event (i.e., party, celebration, etc.) occurring during the school day shall be purchased in packaged containers from reputable food production facilities. (No items prepared in whole or in part in someone's home shall be served to students at any time during the school day.) Each event shall include no more than one food or beverage that does not meet the district nutrition guidelines. No caffeinated or soda drinks shall be served at any time.
	BP(a)	12	-- No items prepared in whole or in part in someone’s home shall be served to students at any time on school premises.
Fallbrook Union High	BP 3554	1	Any food sales conducted outside the district's food service program shall meet nutritional standards specified in law, Board policy, and administrative regulations and shall not reduce student participation in the district's food service program.

Grossmont Union High	BP	11	c. Schools should encourage parents to arrange with the district food service department for catering class parties/staff celebrations to ensure food safety and maximize the ability of the district food service department to serve healthy and appealing meals.
La Mesa Spring Valley	AR	c	7. Sharing of Foods and Beverages Schools should discourage students from sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children's diets.
Poway Unified	BP BP	4 6	g. All foods sold or served at school should have a food label listing ingredients so students with food allergies are protected from accidental exposure. i. <i>Homemade Food Items</i> - To ensure food safety, all food to be shared with other students should be commercially prepared, prepackaged, unopened, and, when possible, individually wrapped. Foods prepared at home may be used only for individual student and staff lunches/snacks, and consumed by staff members only on a voluntary basis. Food Safety School administrators should encourage teachers to order foods for classroom parties that provide food in compliance with the Health Code to ensure compliance with food safety and sanitation regulations. Hazard Analysis and Critical Control Points (HACCP) plans and guidelines shall be implemented to prevent food-borne illness in schools. All foods and beverages made available at school shall comply with state and local food safety and sanitation regulations. Food service equipment and facilities must meet applicable local and state standards for health, sanitation, and safety. All food handlers must meet the food safety certification requirements established by the San Diego County Department of Environmental Health.
Solana Beach	E	3	<u>Sharing of Foods and Beverages</u> Schools should discourage students from sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children's diets.
Vista Unified	BP 3012	2-4	"The food or beverage items are prepared or purchased through a facility that has a health permit." (referring to outside food sales or service)
